

# While visiting the Santa Ana Zoo...

In order to ensure that your visit is enjoyable for you, other guests and the animals, please observe the following Santa Ana Zoo policies:

**Take your time ...**

Please dispose of **litter** in trash cans and **recyclables** in specially designated containers.

**Why you can't feed the animals** - This can endanger their health and their lives, as they are on specialized diets.

Please use the walkways throughout the Zoo.

Please do not **pick flowers or climb trees**. The Zoo is a refuge for endangered plants, as well as animals. Help us preserve our botanical collection for everyone to enjoy.

Parents, please watch your children...

**Have Fun! Relax and enjoy your visit!**
